*Advanced All Skills Camp

The Advanced All Skill Camp is ideal for athletes who were on a Club team in 2026 looking for a high level camp where all of the fundamental skills will be trained through intense, high-rep drills with a lot of attention to detail.

*Middle School Summer League

The Middle School Summer League is perfect to develop proper technique for all the volleyball skills and then be able to incorporate these skills during competition against other teams. The League is for girls entering Middle School. There is a guaranteed playing time for all participants. It is a terrific value and where many of our Club players first developed the love of the sport. This League is Monday-Thursday from 10:00am - 12:00pm.
